## Kentucky Oral Health Coalition

(KOHC) is a group of concerned citizens, advocates, and professionals working together to improve oral health across Kentucky.

### Guiding Principles

**Vision Statement:** All people of Kentucky can enjoy optimal oral health for life

**Mission Statement:** Improve the oral health of all people of Kentucky

### Goal Statements

1. To advocate for improved access to oral and general health prevention, services, and education for all people of Kentucky by 2020
2. To promote and encourage active interaction, effective collaboration and cooperation between all providers of oral and general health care and individuals and population within Kentucky needing oral health services, prevention, and education through the establishment of public-private partnerships by 2014
3. To actively participate, communicate, and encourage relationships of the Kentucky Oral Health Coalition with other advocacy groups in promoting oral and overall health for all people of Kentucky beginning in 2012

### Current Officers

#### Chair

Dr. Nikki Stone

#### Chair Elect

Dr. Stephanie Roney

#### Treasurer

Deborah Wade

#### Secretary

Ada Carlile

#### Immediate Past Chair

Dr. Laura Hancock Jones

## Become a Member of KOHC

- Work collaboratively to make a true impact on oral health in Kentucky.
- Network with others at coalition meetings and events.
- Vote on coalition decisions including policy priorities, election of officers, and other coalition related decisions.
- Attend coalition meetings and activities and take part in coalition workgroups.
- Receive CEU credits by attending coalition's annual meeting.
- Marketing opportunities for organizational members. Logos will appear on various publications, promotional materials and related documents as an organizational member of the coalition.

### Types of Membership

- **Student Individual Member** (Voting Member) – Annual dues of \$10 (must be a full-time student)
- **Individual Member** (Voting Member) – Annual dues of \$50
- **Government/Quasi-governmental Organization** (Voting Member) – Annual dues of \$150
- **Non-Profit Organization** (Voting Member) – Annual dues of \$300
- **For-Profit Organization** (Voting Member) – Annual dues of \$500

*Memberships are good for one year. Dues are renewed annually in July. Your dues provide resources to support annual coalition meetings, oral health coalition activities as approved by members or the executive committee, and policies and programs to increase access to high quality oral health care for all populations in Kentucky.*

### Oral Health Facts

- Kentucky has the fifth highest rate of “toothlessness” in the country among adults 65 and older.
- A 2012 national study by the Pew Center on the States gave Kentucky a grade of D for its ability to provide dental sealants to children.
- Only 60 percent of Kentucky adults reported visiting a dentist or dental clinic in the previous 12 months in 2012.
- The 2012 Kentucky Health Issues Poll (KHIP) found 1.7 million Kentucky adults lack dental insurance.
