

# 2024 POLICY PRIORITIES

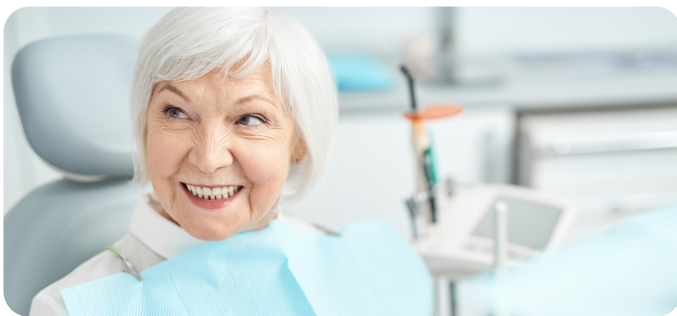

The Kentucky Oral Health Coalition is a collective of oral health advocates dedicated to promoting equity and increasing oral health care in the Commonwealth. These policy priorities were voted on by KOHC members to guide our work and advocacy throughout the next year.

- **Protect community water fluoridation programs.**

- **Increase Medicaid reimbursement rates for dental providers.**

- **Protect current oral health services covered in the Medicaid program.**

- **Reduce youth initiation of tobacco products, including e-cigarettes and vapes.**
